

## SOUTHERN SASKATCHEWAN ESTATE TROPHY HUNTS

Venture north for the trophy of a lifetime! No license required, season starts mid-August and goes to the late-March, private land, and transportation permits are included. Hunting methods are archery, crossbow, rifle, muzzleloader, and shotgun via blinds or spot and stalk. Each hunter has access to their own private room with a shared hot shower/bathroom. Acreage for the preserve is 460 acres.

◆ ◆ These affordable hunts are all based on the Safari Club International scoring system. ◆ ◆
